DMR Association Welcomes Harris Corporation as New Category 1 Member

LONDON, UK – 07 February 2012 – The Digital Mobile Radio (DMR) Association warmly welcomes Harris Corporation (U.S.A.) as our newest Category 1^{*} member.

“It is my pleasure to welcome Harris Corporation to the DMR community. With Harris’ membership confirmed it is further testament to the growing worldwide market appeal of DMR technology. With over one million DMR radios sold worldwide, I am confident that the present success will soon be followed by others and that our Association will keep on growing stronger. Our goal is to reinforce DMR’s position as the most widely supported 21st century digital radio standard for business and a growing membership helps us do that.” said Mario Micheli (of SELEX Elsag, Italy), Chair of the DMR Association.

Harris is an international communications and information technology company serving government and commercial markets in more than 150 countries. Headquartered in Melbourne, Florida, the company has approximately \$6 billion of annual revenue and about 17,000 employees — including nearly 7,000 engineers and scientists. Harris is dedicated to developing best-in-class assured communications® products, systems, and services.

^{*} Category 1 membership is the highest membership tier available to manufacturers of DMR equipment.
